SOUL THE FC

We are thrilled to announce that SOUL Tower Hamlets will be embarking on their inaugural season in the Southern Counties East Football League (SCEFL). This marks a significant milestone for the club, which has evolved from the well-established Tower Hamlets FC. Tower Hamlets FC has a rich history, having competed in the Essex Senior League and the Thurlow Nunn League for the past two decades.

SOUL FC, a non-league club that has been active in the Essex Alliance League since its inception in 2003, is now taking a bold step forward with this new setup. The team will be playing their home games at Mile End, a location that promises to bring a vibrant and enthusiastic atmosphere to our matches.

This exciting venture is driven by a shared vision among the board and management to elevate the club to new heights through quality football. Our ambition is not just to compete, but to excel and make a mark in the SCEFL. We are committed to fostering a competitive spirit and delivering an exceptional experience for our players, supporters, and the local community.

We are deeply committed to raising awareness and giving back to our community. Throughout the Covid-19 pandemic, we dedicated ourselves to supporting those in need. This season, we are taking a stand against knife crime. Our kits are designed to symbolize this crucial message, featuring an anti-knife crime sticker prominently.

All profits from our kit sales will be donated to an anti-knife crime charity, reinforcing our unwavering dedication to making a positive impact.

Our Ambition and Vision

At SOUL Tower Hamlets, our ambition is to rise through the ranks of non-league football and establish ourselves as a formidable force in the SCEFL. We aim to achieve this by playing attractive, high-quality football that not only brings results but also entertains our fans. Our vision is to create a club that is synonymous with excellence, both on and off the pitch.

HALLS AFC

Alongside the First Team, a Saturday Reserves and two Sunday League teams complete plus Junior teams from Under 4s to Under 16s.

The Club is now 105 years old

Memory of all those who have lost their lives to knife crime

SOUL Tower Hamlets FC Anti-Knife Crime Campaign

At SOUL Tower Hamlets FC, we believe that football is more than just a game; it is a powerful platform for positive change in our community. Our Anti-Knife Crime Campaign is a testament to this belief, aiming to tackle the pressing issue of knife crime that affects so many lives. This campaign is not just a statement; it is a call to action for everyone involved with our club, from players and staff to fans and sponsors.

Knife crime has become a significant concern in many communities, including ours. The devastating impact it has on families, friends, and the broader community cannot be overstated. Young people, in particular, are often both the victims and perpetrators of knife-related violence. This is a cycle that we are determined to break. By launching this campaign, we aim to raise awareness, educate, and provide alternatives to violence, fostering a safer environment for everyone. Our commitment to this cause stems from our deep-rooted connection to the community.

We have seen first hand the pain and suffering that knife crime can cause. As a football club, we have a unique opportunity to reach out to young people and influence their choices positively. We want to use our platform to promote peace, unity, and the value of life. By engaging with our fans and the local community, we hope to create a ripple effect that will lead to lasting change.

Our football kit is more than just a uniform; it is a symbol of our commitment to this cause. Each kit features a special anti-knife sticker, serving as a constant reminder of our mission. By wearing this kit, our players and fans are making a statement against knife crime and standing in solidarity with the victims.

All profits from the sales of our kits will be donated to an anti-knife charity. This ensures that every purchase contributes directly to the fight against knife crime. We encourage everyone to buy a kit, not just as a show of support for our team, but as a contribution to a safer community.

The SOUL Tower Hamlets FC Anti-Knife Crime Campaign is a crucial step towards creating a safer and more harmonious community. We invite everyone to join us in this fight, whether by purchasing a kit, attending our events, or simply spreading the word. Together, we can make a difference and ensure that our community is a place where everyone can thrive without fear.
